

About the Children's Academy

What is the Children's Academy Constance?

The Children's Academy is hosted by the department of culture and the Rosgartenmuseum, with cultural and historical topics, which are compiled and developed together with children from our town between the age of 7 and 10. Their ability to work independently with their peers is important to us. The focus hereby lies on experiments, fun and games.

ПРО ДИТЯЧУ АКАДЕМІЮ

Що таке Дитяча академія Констанц?
Дитяча академія проводиться Управлінням культури (Kulturamt Konstanz) та музеєм Росгартен (Rosgartenmuseum). Теми з галузі культури та історії були розробленими для академії спільно з дітьми нашого міста віком від 7 до 10 років. Для нас важлива самостійна робота з однолітками — основна увага при цьому приділяється експериментам, веселоцям та іграм.
